EXPLORE MAINE, ONE BREWERY AT A TIME.

The Maine Beer Trail isn't just a list, it's an adventure. We're inviting you to visit our breweries all across Maine — in city pubs and river lodges, revitalized mills and old barns, along downtown storefronts and hidden dirt road hideaways all around Maine, this is your trail map. Lucky for you, Maine brewers are making quality craft beer near every must-see location in Maine! For more information beyond breweries, check out visitmaine.com

Although these Maine breweries aren't open to visitors, we encourage you to experience and purchase their beers at restaurants, bars and bottle shops:

Peak Organic Brewing Co.

Maine's premier craft beer events are hosted by the Maine Brewers' Guild. For more information on year-round events, visit: bit.ly/mbgevents
